BIO:

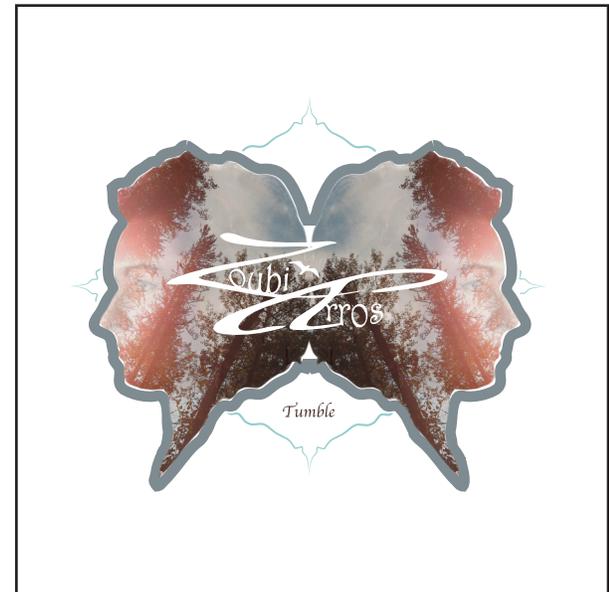

Zoubi Arros grew up exploring the serene forests of Hornby Island, Canada. Written from the heart, her songs are sung with vocal tonality akin to a 1920's torch singer. This coined the term, "Torch Pop" to describe Zoubi's folky genre. Feist and The Alabama Shakes are examples of artists who inspire Zoubi's melodies. She grew up listening to Leonard Cohen, No Doubt and the Beatles. In 2010, Zoubi performed at Rifflandia Festival. She also performed for the Grand Opening of the Victoria Public Market in 2013. This summer, Zoubi released her new EP and successfully spread it across Canada on tour with Devarrow. She wrapped up the tour with a performance at Ukee Friday Night Market.

PRESS:

Zoubi Arros has shared the stage with NZ's Got Talent Finalist, Mihiragni as well as Timothy Croft, Electric Oak, The Crow Flies Duo, Blake Andison, Zonnis, Aaron Watson, Bousada, Klarka Weinwurm, Elder Sister Plum, and Devarrow.
